SCHOLASTIC TUTORING
Volunteer to be a tutor at the Helen Hall Library
See page 5
Almost 50 years ago, a group of citizens interested in starting a public library in League City established the League City Public Library, which has evolved into the present full-service facility in the city’s Civic Center complex. One member of that initial group was Helen Hall, who became a charter member of the Library Board in 1971 and actively served on that Board until her death in 1981. The League City Public Library was renamed in memory of Mrs. Hall in 1985.

Additions & Services
Also in that year, a bond issue of $2.5 million was passed to dramatically enlarge the existing 7,000 square foot building and to completely automate all library functions. The addition of the two-story adult services wing and the renovation of the original building housing children’s and audio-visual services was completed in early 1988. The entire Library now encompasses over 29,000 square feet.

The automation procedures were completed in the spring of 1989, and the system features an on-line public access catalog containing data on all the collections in the Library. In 1995 and again in 2002, the library’s main computer was upgraded to a larger and faster one, allowing the library to add more features and services.

About the Library System
The Helen Hall Library is the largest and busiest member of the Galveston County Library System, with almost 20,000 patrons entering the Library every month. The Library is also a member of the Houston Area Library System. Extensive interlibrary loan services are available through these system memberships as are opportunities to apply for special grants and to attend staff development seminars.

Welcome to the spring program season at Helen Hall Library! It’s the beginning of a new decade and of a new era for the Library. Our Facilities Needs Assessment and three-year Strategic Plan were unveiled in the fall, and now is the time for us to act on those intentions. While we await the decision that will make our library larger, more modern, and more convenient, look for programs and services to become faster, more personalized, and more welcoming to all.

A celebration of volunteers, new Teen events such as the S’mores Camp Out and Anti-Valentine’s Bash, new guest speakers for adults and monthly “Reading and Rhythms” are just a few of the programs. As we begin to implement our Strategic Plan, look for improvements in collections, technology, and responsiveness in the coming months—and be sure to ask any Helen Hall Library staff member about our exciting options for future library facilities.

Thank you for being a patron of the Helen Hall Library!
